

We sell more goods at retail for cash than any other store in America. Why? Because quality for quality our prices are always less than anywhere else.

Solid Gold Jewelry Fifty Cents on the Dollar

We've acquired, by an exceptional purchase, a manufacturer's entire lines of salesmen's samples of Solid Gold Jewelry at half their real value-

Brooches, Rings, Link Buttons, Hat and Scarf Pins

The variety of designs is very large, because all are different. It isn't often that goods of this class are offered in this way. The precious metal is staple the world over. But the maker had sold the stock represented by these samples and had no further use for them. That's how our chance-and yours-

Ten and fourteen carat Solid Go'd Brooches, plain and enamelled, set with real pearls, turquoises, opals, matrixes, amethysts, sapphires and cameos, fifty designs, including sunbursts, hearts, scrolls, knots, butterfly and bar effects.
